Subject : Decision on pricing for publication, data-document and printing

**BOARD DECISION**

Board of Revolving Fund Administration is met on August 4th, 2020 headed by Mr. Muhammed Cahit ŞİRİN and decided on following issues:

1- On hardcopy form; the first sheet (A4) is 20 TL for domestic data requests and 20 € for international data requests. After the first sheet, every sheet is 5 TL and 5 €, respectively.

2- On magnetic form; it is 20 TL for domestic data requests and 20 € for international data requests till the size of the data is 1 MB. After 1 MB, it costs 5 TL and 5 € for every 1 MB, respectively.

3- If the time for preparation of data request is over than 1 hour, it is priced 20 TL for domestic data requests and 20 € for international data requests for every more 1 hour.

4- Annual subscription fee is priced considering the cost for the last period of data.

5- 50% discount is given to the users below (excluding micro data):

- Faculty members and students from Turkey
- Turkish students from universities abroad
- Students or teachers from primary or secondary education

6- Thematic map is 90 TL for domestic requests and 90 € for international requests.

7- Micro data will be free of charge for Institutions within the scope of the Official Statistics Program, other official institutions and organizations in Turkey, international institutions and organizations of which Turkey is a member, researchers who apply with the decision of the university senate or a letter from the rectorate. For other microdata requests, article 8 and 9 will be into effect.

8- For Group B microdata, microdata set for every year is 100 TL for domestic requests and 100 € for international requests. When micro data set is for more than one year, for every additional one year , it is priced for 100 TL for domestic requests and 100 € for international requests.

9- For Group A microdata, one hour use in Microdata Research Center is 20 TL for domestic requests and 20 € for international requests. When there is need for user support, it costs additional 50 TL for domestic requests and 50 € for international requests.

10- It will be added profit and treasury share to cost for Man/Hour according to information declared in Estimated Cost Calculation Form for Project and Sampling Cost Forecast.

11- Publications in CD format are 20 TL for domestic requests and 20 € for international requests.
